

President's Message

Dear Ladies of the League,

It is wonderful to be able to resume our CWL meetings, activities and events.

We held our Women's Breakfast in September 2022 for the first time since 2019. CWL members had active roles at our 11am Mass before the brunch. We presented years of service pins following the brunch. Congratulations to all of our service pin recipients!!

In May and October 2022, our members joined together to pray the rosary. We will be having our next Living Rosary at the end of May.

November 2022 was a busy month with both our bazaar and Christmas potluck. Our bazaar was very successful.....Thanks to our many volunteers we raised nearly as much as pre-pandemic bazaars!!

Our Council donated to the Community Outreach Christmas Dinner hosted by St. Anne's Festival Board. Some of our members helped serve the dinner which was held in December 2022. Throughout the year, CWL members prepare hot meals or soup/sandwiches every Saturday for the needy and homeless in our community. Members also baked cookies for the food bank and community outreach.

In January, many of our members volunteered at the Sports Spectacular, which raises funds for Special Olympics.

Our Council will be organizing the Bake table at St. Anne's Festival, June 7-10, 2023. We will be looking for bakers and volunteers to work at the table.

I encourage all ladies of the parish to consider joining our CWL Council. The CWL isn't all work – social time, friendship and sisterhood are great benefits of being a member.

I am grateful for all of your support over the last couple of years. Your hard work and prayers have helped many in our community and throughout the world. I look forward to working with all of you throughout the rest of 2023.

God bless,

Katie Kelly

President, St. Anne's CWL
